13. **BEST PRACTICES:** A) Be sure you take all of the questions on all of the pages. If the quiz indicates multiple pages, don't submit until you do all of the questions on all of the pages. B) It is safer to save without submitting just to verify you have done the entire quiz and that your answers were accepted. Then re-enter the quiz before it closes and check to be sure the answers are still there. C) If possible, print the quiz with answers for your records and then click the submit and finish button.

14. After you have **submitted all and finished** your quiz your classroom's main page will appear.

Important Notice: YOU WILL NOT GET CREDIT FOR YOUR QUIZ IF YOU DO NOT CLICK THE SUBMIT ALL AND FINISH BUTTON BEFORE THE QUIZ CLOSING DATE/TIME.
